

August 2009

The Select program at Avenue Road has thrived in recent years in both growth and success. During the past Select season, Avenue Road fielded eleven teams ranging in age grouping from Minor Novice (age six and seven) to Midget Senior (age eighteen).

Select hockey, in case you do not know, is made up of the best players from the house league roster. Teams are chosen in individual age tryouts. In order to play Select hockey, the player must also play in the house league. The Select schedule consists of one additional game and practice each week over existing house league hockey requirements (i.e. one mandatory house league game, one Select game and one Select practice per week). Please note that as of September 9, 2009 **tentative** practice schedules for each age group's teams can be found on the Avenue Road Hockey Association web page. The weblink for this information is: www.avenueroadhockey.on.ca

This season, we are once again planning to ice eleven select teams in a variety of age groups as outlined below. Please remember we reserve the right to add or delete any team in any age category, depending on enrollment.

We encourage players from the house league to see how they 'stack up' against the best players in their division at the first Select tryouts in September, which are open to all registered players. **Subsequent tryouts are by invitation only.** The first tryout dates in each division are as follows:

We remind all players that should they be considering new equipment purchases for the upcoming season that black helmets and hockey pants match nicely with Avenue Road team colours. If possible, please attempt to co-ordinate purchases along this colour scheme.

GOOD LUCK TO ALL!!
