**IMPORTANT INFORMATION CONCERNING REGISTRATION FOR THE
2011-2012 HOCKEY SEASON**

The dates for ARHA's online registration for the 2011-2012 season will be:

Wednesday, April 6th-Saturday, April 30th - Priority registration for returning players (from the 2010-2011 season ONLY) and their siblings.

Sunday, May 1st - Registration is open to new players (those who have never played at ARHA or returning players from prior years other than the 2010-11 season).

INSTRUCTIONS:

Go to the Avenue Road Hockey Association website (www.avenueroadhockey.on.ca) and follow the link to QuickEnrollment

On the QuickEnrollment site you have three options. Choose the option that fits your situation. If you have previously registered with QuickEnrollment for hockey or some other sport, your account will be there:

1. You have an account and know your username & password
2. You have an account but can't recall your username & password
3. You need to create an account as you have never registered with QuickEnrollment before

Once you open your profile, you can make any changes to your address, phone numbers and email address. Please remember to use an email address that you view frequently.

You will then be at the registration pages.

Please read all of Avenue Road Hockey's policies for the 2011-12 hockey season. You "sign" the waiver, which means you have read, understood & accepted the policies for the 2011-2012 season.

You pay online.

You will receive an automated response from QuickEnrollment advising you that your application has been received into their system – you are NOT registered to ARHA yet. You have simply been accepted into the QuickEnrollment system but not into the ARHA league.

After ARHA accepts your application and registers your child into the league, you will receive a 2nd email from QuickEnrollment, confirming the acceptance of your registration into ARHA for the 2011-2012 season.

You will receive all season information, select tryout information, mite group placement in AUGUST 2011.

PLEASE NOTE:

Your credit card gets charged immediately (it is a point of sale system) – you are still NOT registered to ARHA.

If you try to register ahead of when you're eligible (new players registering earlier than May 1st; former players calling themselves "returning" from previous years, your application(s) will be pulled out of order and placed at the bottom!

NOTE: THOSE APPLICANTS SEEKING FINANCIAL ASSISTANCE FROM THE LEAGUE MUST CONTACT THE REGISTRAR PRIOR TO GOING ONLINE TO REGISTER AT registrar@avenueroadhockey.on.ca. ALL INQUIRIES WILL BE HELD STRICTLY CONFIDENTIAL.
